HOW TO CITE RULES AND RSMO

RULES

The rules are codified in the *Code of State Regulations* in this system–

Title		Division	Chapter	Rule
3	CSR	10-	4	.115
Department	<i>Code of State Regulations</i>	Agency Division	General area regulated	Specific area regulated

and should be cited in this manner: 3 CSR 10-4.115.

Each department of state government is assigned a title. Each agency or division in the department is assigned a division number. The agency then groups its rules into general subject matter areas called chapters and specific areas called rules. Within a rule, the first breakdown is called a section and is designated as (1). Subsection is (A) with further breakdown into paragraphs 1., subparagraphs A., parts (I), subparts (a), items I. and subitems a.

The rule is properly cited by using the full citation, for example, 3 CSR 10-4.115 NOT Rule 10-4.115.

Citations of RSMo are to the *Missouri Revised Statutes* as of the date indicated.

Code and Register on the Internet

The *Code of State Regulations* and *Missouri Register* are available on the Internet.

The *Code* address is sos.mo.gov/adrules/csr/csr

The *Register* address is sos.mo.gov/adrules/moreg/moreg

These websites contain rulemakings and regulations as they appear in the *Code* and *Registers*.

Rules appearing under this heading are filed under the authority granted by section 536.025, RSMo. An emergency rule may be adopted by an agency if the agency finds that an immediate danger to the public health, safety, or welfare, or a compelling governmental interest requires emergency action; follows procedures best calculated to assure fairness to all interested persons and parties under the circumstances; follows procedures which comply with the protections extended by the *Missouri* and the *United States Constitutions*; limits the scope of such rule to the circumstances creating an emergency and requiring emergency procedure, and at the time of or prior to the adoption of such rule files with the secretary of state the text of the rule together with the specific facts, reasons, and findings which support its conclusion that there is an immediate danger to the public health, safety, or welfare which can be met only through the adoption of such rule and its reasons for concluding that the procedure employed is fair to all interested persons and parties under the circumstances.

Rules filed as emergency rules may be effective not less than ten (10) business days after filing or at such later date as may be specified in the rule and may be terminated at any time by the state agency by filing an order with the secretary of state fixing the date of such termination, which order shall be published by the secretary of state in the *Missouri Register* as soon as practicable.

All emergency rules must state the period during which they are in effect, and in no case can they be in effect more than one hundred eighty (180) calendar days or thirty (30) legislative days, whichever period is longer. Emergency rules are not renewable, although an agency may at any time adopt an identical rule under the normal rulemaking procedures.

**Title 1—OFFICE OF ADMINISTRATION
Division 10—Commissioner of Administration
Chapter 3—Preapproval of Claims and Accounts**

EMERGENCY AMENDMENT

1 CSR 10-3.010 Preapproval of Claims/Accounts and Direct Deposit: Definitions/Examples. The commissioner is amending section (6).

PURPOSE: This amendment revises this rule to clarify the definition of an employee association.

EMERGENCY STATEMENT: This emergency amendment clarifies what was originally intended in this rule: that employee associations and labor unions are discrete classifications of vendors under this rule and section 33.103, RSMo. Emergency amendment of this rule is necessary to advance the public's welfare and the compelling governmental interests of conserving scarce taxpayer resources, preserving the legislature's delegated authority, and enhancing administrative efficiency as a conflict has arisen concerning whether single entities can be both a labor organization and an employee association, the resolution of which will advance the foregoing compelling interests, eliminate the conflict, and significantly reduce the potential liability of the Office of Administration relating to its decisions that a labor union which is an exclusive bargaining representative cannot also be an employee association and to cease the deduction of dues of labor unions without existing labor contracts in accordance with this rule.

*The labor unions in question, who are exclusive bargaining representatives, have suggested that they qualify for dues deductions as employee associations under the existing rule, and while the Office of Administration strongly disagrees with their interpretation and additionally does not believe the labor unions have the ability to recover damages in any potential litigation, this emergency amendment will leave no doubt as to the proper qualifications for dues deductions once it is effective and will therefore resolve the conflict in favor of section 33.103's discretionary grant of authority to the Office of Administration and reduce the state's exposure to the threat of an adverse litigation result more than a proposed amendment alone. Emergency amendment of this rule is also necessary to preserve the compelling governmental interests of reduced administrative uncertainty and increased governmental efficiency by "organiz[ing] the work of the office of administration in such manner as to obtain maximum effectiveness of the personnel of the office" pursuant to section 37.010.4, RSMo. The scope of this emergency amendment is limited to the circumstances creating the emergency and complies with the protections extended in the *Missouri* and *United States Constitutions*. The commissioner believes this emergency amendment is fair to all interested persons and parties under the circumstances. A proposed amendment, which covers the same material, is published in this issue of the *Missouri Register*. This emergency amendment was filed February 11, 2020, becomes effective February 27, 2020, and expires August 24, 2020.*

entities more than five hundred dollars (\$500) in the time the emergency is effective.

EMERGENCY AMENDMENT

2 CSR 30-10.010 Inspection of Meat and Poultry. The director is amending section (2).

PURPOSE: This amendment ensures that the current rule language clearly includes the most recent publication of Part 300 to end of Title 9, the **Code of Federal Regulations** for the Missouri Meat and Poultry Inspection Program to be in compliance with federal regulations and maintain "equal to" status as determined by the United States Department of Agriculture/Food Safety and Inspection Service.

EMERGENCY STATEMENT: This emergency amendment is necessary to serve the compelling governmental interest to inform state agencies and the public of the most current adoption of Title 9 **Code of Federal Regulations** Parts 300 to end is incorporated into state regulation. The State Meat and Poultry Inspection (MPI) programs are required to operate in a manner and with authorities that are "at least equal to" the antemortem and postmortem inspection, re-inspection, sanitation, recordkeeping, and enforcement provisions as provided for in the Federal Meat Inspection Act and the Poultry Products Inspection Act. State MPI programs must stay current with and be able to explain how their programs are equal to FSIS regulations to ensure their rules are "at least equal to" USDA/FSIS and in compliance with federal regulations. Therefore, an amendment to clarify the most current federal meat and poultry inspection regulations are being incorporated by reference and provide enforcement authority in Missouri. This regulation applies to approximately thirty-six (36) state inspected meat and poultry establishments and one hundred fifty-five (155) custom exempt plants in Missouri, which as a whole, produces millions of dollars in Missouri's economy. This emergency amendment protects the public health, safety, and/or welfare under a compelling governmental interest, which requires this emergency action. The scope of this emergency amendment is limited to the circumstances creating the emergency and complies with the protection extended in the **Missouri and United States Constitutions**. The Department of Agriculture believes this emergency amendment is fair to all interested persons and parties under the circumstances. A proposed amendment, which covers the same material, is published in this issue of the **Missouri Register**. This emergency amendment was filed February 11, 2020, becomes effective February 27, 2020, and expires August 24, 2020.

(2) The standards used to inspect Missouri meat and poultry slaughter and processing shall be those shown in Part 300 to end of Title 9, the **Code of Federal Regulations** (January 20/19/20), herein incorporated by reference and made a part of this rule as published by the United States Superintendent of Documents, 732 N Capitol Street NW, Washington, DC 20402-0001, phone: toll-free (866) 512-1800, DC area (202) 512-1800, website: <http://bookstore.gpo.gov>. This rule does not incorporate any subsequent amendments or additions.

AUTHORITY: section 265.020, RSMo 2016. Original rule filed Sept. 14, 2000, effective March 30, 2001. For intervening history, please consult the **Code of State Regulations**. Emergency amendment filed Feb. 11, 2020, effective Feb. 27, 2020, expires Aug. 24, 2020. A proposed amendment covering this same material is published in this issue of the **Missouri Register**.

PUBLIC COST: This emergency amendment will not cost state agencies or political subdivisions more than five hundred dollars (\$500) in the time the emergency is effective.

PRIVATE COST: This emergency amendment will not cost private

Under this heading will appear the text of proposed rules and changes. The notice of proposed rulemaking is required to contain an explanation of any new rule or any change in an existing rule and the reasons therefor. This is set out in the Purpose section with each rule. Also required is a citation to the legal authority to make rules. This appears following the text of the rule, after the word "Authority."

Entirely new rules are printed without any special symbolology under the heading of proposed rule. If an existing rule is to be amended or rescinded, it will have a heading of proposed amendment or proposed rescission. Rules which are proposed to be amended will have new matter printed in boldface type and matter to be deleted placed in brackets.

An important function of the *Missouri Register* is to solicit and encourage public participation in the rulemaking process. The law provides that for every proposed rule, amendment, or rescission there must be a notice that anyone may comment on the proposed action. This comment may take different forms.

If an agency is required by statute to hold a public hearing before making any new rules, then a Notice of Public Hearing will appear following the text of the rule. Hearing dates must be at least thirty (30) days after publication of the notice in the *Missouri Register*. If no hearing is planned or required, the agency must give a Notice to Submit Comments. This allows anyone to file statements in support of or in opposition to the proposed action with the agency within a specified time, no less than thirty (30) days after publication of the notice in the *Missouri Register*.

An agency may hold a public hearing on a rule even though not required by law to hold one. If an agency allows comments to be received following the hearing date, the close of comments date will be used as the beginning day in the ninety- (90-) day-count necessary for the filing of the order of rulemaking.

If an agency decides to hold a public hearing after planning not to, it must withdraw the earlier notice and file a new notice of proposed rulemaking and schedule a hearing for a date not less than thirty (30) days from the date of publication of the new notice.

Proposed Amendment Text Reminder:
Boldface text indicates new matter.

[Bracketed text indicates matter being deleted.]

Title 13—DEPARTMENT OF SOCIAL SERVICES
Division 40—Family Support Division
Chapter 112—Child Support Program, Medical Support

PROPOSED RULE

13 CSR 40-112.010 Establishing or Modifying to Include Medical Support Obligations

PURPOSE: This rule sets forth the Family Support Division's procedures for establishing medical support obligations or modifying existing orders to include medical support obligations in accordance with sections 454.600 and 454.603, RSMo Supp. 2019.

(1) For purposes of this rule, the following terms will be defined as:

(A) "Gross Income" means the amount of money earned prior to tax deductions and other mandatory or voluntary deductions.

(B) "Parent Seeking Support" means the person or state agency that will be entitled to receive support after the entry of a support order.

(C) "Parent Not Seeking Support" means the person who will be obligated to pay support after the entry of a support order.

(D) "Private Health Benefit Plan" means any benefit plan or combination of plans, other than public assistance programs, providing medical or dental care or benefits through insurance or otherwise, including, but not limited to, health service corporations, as defined in section 354.010; prepaid dental plans, as defined in section 354.700; health maintenance organization plans, as defined in section 354.400; and self-insurance plans, to the extent allowed by federal law.

(E) "Public Health Benefit Plan" means any benefit plan or combination of plans, providing medical or dental care that is funded under Title XIX or Title XXI of the Social Security Act.

(2) A health benefit plan through an employer or union will be considered reasonable if the cost of dependent coverage does not increase the current premiums of the parent who is to provide such coverage by more than five percent (5%) of that parent's gross income. In applying the five percent (5%) standard for the cost of health benefit plan coverage, the cost will be the difference between self-only coverage and family coverage, or the cost of adding the dependent(s) to existing coverage, whichever is applicable given the individual's available plan options. If the child(ren) is already covered by private health benefit plan coverage, the five percent (5%) standard does not apply.

(3) A private health benefit plan is accessible if the plan does not limit coverage to a specific geographical area; or the plan limits coverage to a geographical area and the child(ren) reside(s) within that geographical area.

(4) The parent seeking support and the parent not seeking support will cooperate with the division by providing necessary information to determine if health benefit plan coverage through an employer or union is reasonable and accessible. The parent seeking support and the parent not seeking support must provide information within thirty (30) days of the date of the request from the division. If only one (1) parent provides information, then the division will use the information provided by that parent or information from other sources.

(5) When establishing or modifying a medical support obligation, the division will—

(A) Determine if the parent not seeking support has the child(ren) covered by a private health benefit plan, and if so, the division will order that parent to provide health benefit plan coverage;

(B) If the parent not seeking support does not have the child(ren) covered by a private health benefit plan, the division will determine if the parent seeking support has the child(ren) covered under a private health benefit plan. If the parent seeking support does have the

child(ren) covered and wants to maintain such coverage, the division will order that parent to provide health benefit plan coverage;

(C) If neither parent maintains private health benefit plan coverage for the child(ren), the division will determine if the parent not seeking support has private health benefit plan coverage available at a reasonable cost. If the parent not seeking support has private health benefit plan coverage available at a reasonable cost that is accessible to the child(ren), the division will order that parent to provide health benefit plan coverage;

(D) If the parent not seeking support does not have private health benefit plan coverage available at reasonable cost, the division will determine if the parent seeking support has private health benefit plan coverage at a reasonable cost. If the parent seeking support has private health benefit plan coverage available at a reasonable cost that is accessible to the child(ren), the division will order that parent to provide health benefit plan coverage;

(E) If neither parent has private health benefit plan coverage available at a reasonable cost that is accessible to the child(ren) and the parent seeking support has the child(ren) on public health benefit plan coverage, the division will order the parent not seeking support to pay a percentage of uncovered costs of the child(ren)'s necessary medical care. The percentage will be determined by using that parent's percentage as set forth in line 4 of the Form 14 calculated by the division or if the division does not calculate a Form 14 then the division will order fifty percent (50%). If the parent not seeking support does not pay the percentage of the reasonable costs of the child(ren)'s necessary medical care as ordered, and a court has entered a sum-certain judgment regarding the amount the parent owes for the child(ren)'s necessary medical care, the division will collect the judgment amount; and

(F) If neither parent has private health benefit plan coverage available at a reasonable cost that is accessible to the child(ren) and the child(ren) are not enrolled in public health benefit plan, the division will order the parent not seeking support to pay a percentage of reasonable costs of the child(ren)'s necessary medical care. The percentage will be determined by using that parent's percentage as set forth in line 4 of the Form 14 calculated by the division or if the division does not calculate a Form 14 then the division will order fifty percent (50%). If the parent not seeking support does not pay the percentage of the reasonable costs of the child(ren)'s necessary medical care as ordered, and a court has entered a sum-certain judgment regarding the amount the parent owes for the child(ren)'s necessary medical care, the division will collect the judgment amount.

AUTHORITY: sections 207.022, 454.400, and 660.017, RSMo 2016. Original rule filed Feb. 7, 2020.

PUBLIC COST: This proposed rule will not cost state agencies or political subdivisions more than five hundred dollars (\$500) in the aggregate.

PRIVATE COST: This proposed rule will not cost private entities more than five hundred dollars (\$500) in the aggregate.

NOTICE TO SUBMIT COMMENTS: Anyone may file a statement in support of or in opposition to this proposed rule with the Department of Social Services, Legal Services Division-Rulemaking, PO Box 1527, Jefferson City, MO 65102-1527, or by email to Rules.Comment@dss.mo.gov. The supervising pharmacy must maintain an address listing of all remote data entry sites in operation which must be made immediately available upon request of the board or the board’s authorized designee.

(3) Remote data entry sites must be safely operated in compliance with applicable state and federal law. The supervising pharmacy is responsible for all pharmacy operations at the remote data entry site. No medication or medical device may be located at or dispensed from a remote data entry site.

Notification by the inspector will be provided to the supervising pharmacy a minimum of seventy-two (72) hours ahead of the scheduled inspection. The supervising pharmacy permit holder must arrange for a designated representative to be present that is not a resident of the location under inspection.

The most recent amendment to 10 CSR 10-2.230 filed June 27, 2018, and published in the August 1, 2018 issue of the *Missouri Register* (43 MoReg 2042-2046) contains a typographical error. The updated rule, including the error, was published in the February 28, 2019 update to the *Code of State Regulations*, and effective March 30, 2019.

The error occurred in paragraph (1)(C)11., which was newly added language to the rule when being amended. The reference to the *Code of Federal Regulations* 49 CFR 59 subpart D is incorrect and non-existent. The correct and relevant reference is 40 CFR 59 subpart D. This typographical error will be correct in the March 31, 2020 update to the *Code of State Regulations*.

The department intends to submit a copy of this In Addition publication in the *Missouri Register* and a copy of the corrected rule published in the *Code of State Regulations* to the U.S. Environmental Protection Agency for inclusion in the Missouri State Implementation Plan.
